It looks like D. Linn Gooch will have to use a good deal of "Mexican Syrup" before he cures all the ills in the Sixth District.

THE main features of the election bill offered by Judge LAFFERTY of Harrison county seem reasonable and fair, but the provisions for the appointment of the County Boards insures 119 Democratic Boards of the most particular between the substitution of the most particular between the substitution of the most particular between the between those hours when are entitled to register.

Each party is to name one representative on the County Board; the Attorney General is to name the third. That gives us what we had last year—119 Boards constituted of one Republican and two Democrats.

119 Boards constituted of one Republi-can and two Democrats.

There is no necessity for the third member; but if he cannot be gotten rid of, then he should be appointed by some local authority, say the County

some local authority, say the County
Judge.

The other provisions improve the present law somewhat, and if faithfully executed would secure a fair tally executed would secure a fair the hands of two partisans in each politic well.

"I want to ask the Democratic evidence of the control of the contr

JUDGE CANTRILL gave his and Sher-

in mortal trepidation lest the Indians of the STERE'S Jury only two instructions in the Jim Howard trial. They are, in aubstance—

First—To be found guilty if the Bury believes Howards fred the shot, or it he was present when YOUTSEY, ERRY HOWARD or others fred the shot. Second—Defendant cannot be convicted on testimony of an accomplice. After the speech-making is done, if there should develop the alightest evidence that the Jury doesn't believe Howard was present when some other son-of-asgan fred all six of the single bullets that killed GOEREL, the Judge legisly "after" the first interuction as he did the seventh one in the Fowers case. He might—and very consistently with his previous partiann exhibitions—add these words: If the Jury believes that Jul Howard tid or did not acreen the, anakes out of his whisky through a white, brown, blue, red, black or gray mustache the day whisky through a white, brown, blue, red, black or gray mustache the day florated in the state of Kentucky when all of the one fatal shot was fired by six or seven other men besides himself, then Jury bounds and the state of Kentucky when all of the one fatal shot was fired by six or seven other men besides himself, then Jury most find him guilty of killing GOEREL was the highly of killing GOEREL and fix the penalty at death.

THE Public Printer broke his press while printing the election bills to be offered in the Legislature, and noth-ing could be done Monday. The only surprise is that some of them didn't melt the type.

#### LEST WE FORGET!

#### GOVERNOR CONSIDERING THE MATTER

The Riot Act Read to Marching Strik ers After Midnight by the Light of a Lantern.

hey Scattered in Different Directions and Began Missionary
Work to Preventing Miners
From Going to Work.

Hazleton, Pa., Sept. 26.—It was learned Tucsday night that Sheriff Harvey, of this (Luzerne) county, had telegraphed to Gov. Stone, asking that troops be sent to this county, on the ground that he (the sherring that the properson or property during the high marches of the strikers. The governor, it is understood, la considering the matter.

It was also learned that the sherring the county of the strikers of the strikers of the strikers. The governor, it was also learned that the sherring the matter.

the matter,

It was also learned that the sherif's request was backed up by several telegrams from private citizens
of Hazleton who, it is said, are mine

of Hasleton who, it is said, are mine operators.

It is believed that the sheriff is of the opinion that the presence of troups will prevent any further marching, thus lessening the possibility of serious trouble, Monday alght's march of 300 men from Cranberry, Tomhièken, Derringer and Gowen probably hastened the action of Sheriff Ilarvey in asking for state help.

A Midnight March.

help.

A Midwight March.

The strikers met after midnight at Cranberry, and when they reached Tomhicken they were stopped by who went to that place on a special train. It was yet duck, and the sheriff read the riot act to them by the light of a lantern. The strikers then scattered in different directions and began missionary work in preventing a forest mines at Tomhicken, Derringer and Gowen. They were successful in preventing a large number of men from going to work, and in consequence the Derringer and Gowen mines were erippied. The Tomhicken of the machine were erippied. The Tomhicken of the machine were erippied to the preventing a three differences were arrested, charged with breach of the peace, and in. There was "no conflict between the deputies and the strikers.

THE MA AKLES ANSWER.

#### THE MARKLES' ANSWER.

Not Satisfactory to Their Employes, and it is Likely That
They Will Go Out.

The most important development here saide from the request for soliders was the answer of G. 18. Markle & Co. to the demands presented by the firm's employes tend quys ago. The auswer is not considered satisfactory of the firm flatly refuses to grant the demand of the meeting is not certain. The firm flatly refuses to grant the demand of the men for a five and ten per cent. advance, amounteen its willingness to pay the men semi-month other proposes. The property of the

#### IN OTHER DISTRICTS.

"Reports from the Schuylkill dis-triel are that the entire Mahonoy valley from Mahonoy to Ashland is idle. This is a gain of three large gion Eckley, Derringer, Tomhicken and Gowen were closed Tuesday, and we made satirateory/scains at other finines where the men have been working. It is generally conceded that the strike in the Schuylkill dis-tinct the strike in the Schuylkill dis-triction of the schuylkill distriction of the schuylkill dis-triction of the schuylkill dis-triction of the schuylkill distriction of the schuylkill dis-triction of the schuylkill distriction of the schuylkill dis-triction of the schuylkill distriction of the schuylkill d

the woll anticle with the status of the strike.

Institute that it is the status of the strike.

Toce Fros. 4. Co. admitted Tuesday that their collieries at Derringer and Gowen were allghtly affected Thesday morning, but claimed that those me who did not go to work were intimilated by the marchers.

Collieries as usual, that they were in better shape Tuesday than at any previous time usual, that they were in better shape Tuesday than at any previous time during the strike. General Superinteadent Kudlick, of the Coxe Bros. 4 Co. miles, was arrested Tuesday on a charge of assault and several minor charge. Charges Tuesday affernoon, and will be given a hearing on the other charge on Wednesday. Peter Gallagher, a striking miner of Presidnal, is the prosecutor. Ite charges that Kudlick deliberately drove his horse into him on the public road.

### GEN. JOHN M. PALMER DEAD

His Hiness Was of But n Few Honry Daration—He Was Distinguished in War and in State.

BENATOR JOHN M. PALMER.

pain conlined the greater part of the night, and the doctor was called in several times. At 2:30 Theady morning he made his last visit, and about 4 o'clock left, the general then being free from pain. "I feel all right now," he said, "but am very weak."

weak."

Soon after the general went to sleep. About 7 o'clock Mrs. Palmer thought it best to call the doctor again, and slipped out across the street without waking her husband. She was gone only a few moments, but on her return found that he was dead.

dead.
Cunton, O., Sept. 26.—President McKinley Tuesday night sent a message
of sympathy on the death of Gen.
Palmer to Senator S. M. Cullom, at
Springfield, Ill., asking Mr. Cullom
to convey to the members of the
family his sincere sympathy.

#### WATER SPOUT AND TORNADO

Four Persons Were Killed and Sev-eral Wounded at Ferguson, In,— Many Houses Destroyed.

Dea Moines, In., Sept. 28.—Four persons were killed and several others severely injured in a waterspont and tornado at Ferguson Tuesday evening. The Milwaukee agent and the telegraph operator were badly hurt. The railroad station was hadly wreeted, several cars were blown from the house were destroyed. Wire connections with Ferguson are interrupted.

tracks and more damaged, and many houses were destroyed. Wire connections with Ferguson are Interpreted.

A severe waterspout and wind atorn are reported from the vicinity of Redifield and Madrid, where tracks are washed out in many places. Towns along the Great Westers road also report hard wind and rain atorns this side of Marshalltown. From all sections of this quarter of the state, it is reported that the property loss is heavy, but no loss of life is known, except at Ferguson.

## A LEGATION GUARD

Gen. Chaffee Instructed to Reduce the American Force in China to That Proportion.

#### WILL NOT ACT WITH ALLIED ARMIES

About 1 400 Men Will be Left to Pr ect Minister Conger and Asso clates at Peking.

It is intimated That it Witi Take
About a Week to Bring the
3,500 Soldiers Away From
the Chinese Capitat.

Washington, Sept. 20.—The United States government Tuesday tpok the first special states government Tuesday tpok the first special states and the final state and the final state and the first special sp

due conference with the other commanders as to the time and manier of withdrawal."

An Indecendent Command.

That time has now come, and Tuesday's action murks the beginning of the disappearance of the American day's action murks the teginning of the disappearance of the American influence for the character of the American influence for the character of an army, but, under the conditions laid down in the order to Gen. Chaffee, and especially under its official designation as a "legation guard," will be rather of the nature of a devil guard. This small force will not be included in any and force will not be included in the same force of Field Marshall count Von Weldersee, the compander-in-chief.

The Sterenth of the Guard.

Much thought has been given to the proper number of troops to be allotted for this purpose, and it is believed that the 1,40 men selected where the same of the same of

#### CHU LAN CHEN CAPTURED.

Russian Gen, Sacrharoff 0 pied the Piace, Patting to Flight 5,000 Chinese,

St. Petersburg, Sept. 26.—The war office announces that Gen. Sacrharoff, the chief of the Russian general staff, captured Chu Lan Chen near the Sun-gari river. September 12, putting to flight 5,000 Chinece. It is added that the Russians sustained no casual-ties.

the Russians ties.

The Suagarl (or Soongairee) river of Manchuria flows north and north-west and joins the Amur or Saghalla river 135 miles southwest of the influx of the Oosooree.

Must of the Ossoores.

Massianaries Threatened.

Paris, Sept. 20.—The Tempa Tuesday evening published a dispatch from Shanghui which says the nissionaries in Chi-Li are threatened. European troops having been seat against the Boxer Prince Ching, it is asserted that the yamen aione is qualified to curry out their extermination ordered by it. Li Hung Chang, the Peking, and is negotiating for the return thereof of the emperor.
